*For EU users, and other users from locations that apply standards similar to those in the EU's General Data Protection Regulation ("GDPR"), FABTECH® collects data that users voluntarily submit and uses it for purposes such as communicating with you about FABTECH's products and services, targeting advertisements, and as otherwise permitted by law. FABTECH may also share such data with third parties with whom FABTECH partners on events or services. Such transfers may include third parties located in other countries (such as Canada, Mexico, or EU countries). FABTECH has not confirmed that all such countries apply the same standards as required under GDPR; therefore, to some risk exists regarding such transfers if the third parties are in countries where the European Commission has not made an adequacy determination nor adopted appropriate safeguards. More detailed information may be found in FABTECH's privacy policy, available at fabtechexpo.com.
