

North America's Largest Metal Forming,
Fabricating, Welding and Finishing Event

OCTOBER 15-17, 2024
Orlando, Florida

ORLANDO

THE ULTIMATE TRADE SHOW DESTINATION

FABTECH is headed to a new venue in 2024. The event will be held at the Orange County Convention Center (OCCC) in Orlando, Florida. As the country's most visited destination and No. 1 meeting destination (as ranked by Cvent), there are a multitude of reasons that make the city of Orlando and the OCCC a prime location for FABTECH.

VIBRANT CONVENTION DISTRICT

The OCCC directly connects to nearly 5,200 hotel rooms in four hotels via covered walkway bridges. What's more, the OCCC is in the heart of the lively convention and tourism district, with more than 45 hotels, 75-plus world-class restaurants, and 100-plus unique entertainment experiences within a 2-mile radius.

AFFORDABILITY

Orlando is one of the most affordable destinations, providing low travel costs from hotel accommodations to dining. In addition, there is generally more budget flexibility in Orlando than other prominent trade show meccas because Florida is a right-to-work state, allowing exhibitors to do more in-booth work.

EASY TO GET TO

The center is conveniently located just 11 miles from the Orlando International Airport (MCO). The airport currently provides nonstop service from approximately 160 cities around the world and Orlando airfares are among the lowest of major destinations. Increased airlift and a new rail service is making it even easier to get to Orlando.

Did you know that the Orange County Convention Center has:

- 2.1 million square feet (195,000 square meters) of total exhibition space
- 480,000 square feet of flexible meeting space
- 74 meeting rooms with 235 breakouts
- Three full-service restaurants and eight food courts
- On-site parking for 6,227
- Three covered loading docks and 173 truck bays
- Free Wi-Fi in public areas and food courts
- 2,000-square-foot Aeroponic Garden
- Pedestrian walkways and covered bridges connecting to four area hotels
- New wellness rooms
- Ability to anchor equipment in most halls

DINING AND ENTERTAINMENT

When it comes to dining and one-of-a-kind entertainment experiences, Orlando makes a lasting impression. From award-winning eateries to renowned celebrity chefs and innovative tastes from around the world, Orlando has a vibrant culinary scene that is sure to please every taste.

HOSPITALITY

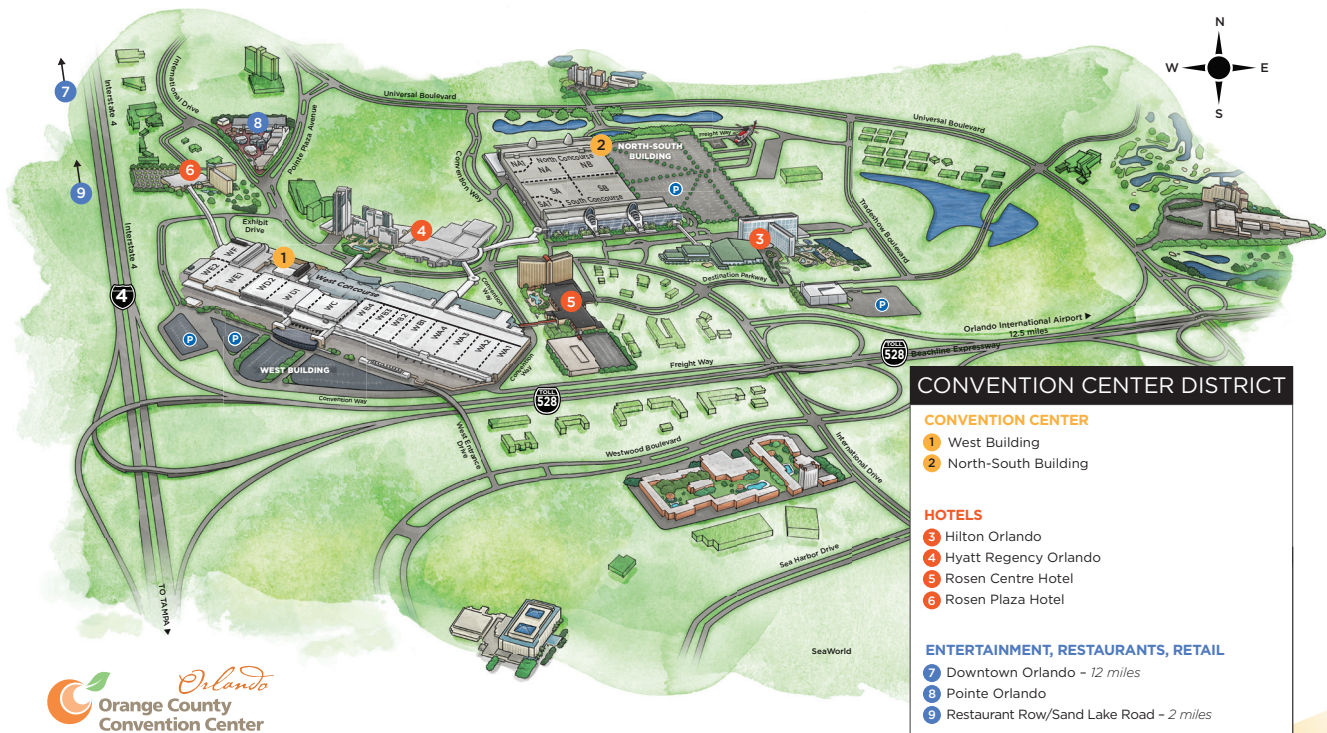

Orlando is supported by a world-class hospitality industry ready to meet your needs. With one in every three jobs supported by the hospitality industry, Orlando's workforce has often been lauded as one of the most courteous in the country.

CLIMATE

The weather in Orlando is simply amazing. With an average high temperature of 84 degrees and the rainy season over, October is a perfect time to visit and explore all that Orlando has to offer.

Orlando is a meeting destination unlike anywhere else. The city and the OCCC have a long track record of hosting world-class events and delivering unforgettable experiences for exhibitors and attendees.

MARK YOUR CALENDAR FOR OCTOBER 15-17 AND JOIN US IN ORLANDO IN 2024!

"We are excited about the FABTECH move to Orlando in 2024. Orlando offers several appealing factors including the October time frame relative to customer follow-up, proximity of hotels to the convention center, the opportunity to reach a new market, and the ability to anchor our equipment into the show floor."
