FABTECH MEXICO
MAY 3 - 5, 2022
Cintermex | Monterrey, Mexico
THE LARGEST METAL FORMING, FABRICATING, WELDING AND FINISHING EVENT IN MEXICO
POST SHOW REPORT 2022 EDITION
EVENT PARTNERS
"We have been an exhibitor since the beginning and have seen a great evolution in the exhibition. It's a great way to meet our customers and show them what's new. It is the most important show in the metalworking industry and truly is the event of the year."

Lara Soto
CEO - Disma Metalmecánica

"FABTECH is very important to us. It is a great place for the industry to come together to see the latest equipment and technology which fuels manufacturing growth and development throughout the year."

Roberto Escobedo
AMADA de México

ATTENDEE PROFILE

85% of attendees decide, approve or influence purchases of machinery and products.

ATTENDEE JOB TITLE

- Owner/Company Management/Regional Director/Manager: 31%
- Manufacturing Production: 14%
- Manufacturing Engineer: 12%
- Distributor: 10%
- Purchasing - Logistics: 9%
- Marketing: 8%
- Design Engineer / Research & Development: 5%
- Welding Safety & Inspection: 4%
- Quality: 4%
- Welder / Welding Operator: 3%

MAIN INDUSTRIES WHO ATTENDED:
- Automotive
- Industrial and commercial machinery
- Construction
- Heavy machinery
- Tooling
- Air conditioning and heating
- Transportation
- Appliances
- Aerospace
- Energy

ATTENDANCE BY REGION

- Nuevo León: 64%
- Coahuila: 10%
- Ciudad de México/Estado México/Puebla: 8%
- Guanajuato, Aguascalientes, Querétaro y San Luis Potosí: 7%
- Tamaulipas: 3%
- Jalisco: 2%
- Chihuahua: 2%
- Internacional: 4%

TOP 3 REASONS FOR ATTENDING THE SHOW:
- Find new suppliers
- Purchase machinery and new technology
- Interested in joint ventures

COMPANY SIZE

(1-19) 2% (20-49) 19% (50-99) 17% (100-249) 10% (250-499) 9% (500-999) 7% (1,000-2,499) 9% (2,500+)

52% of the companies attending the event have 100 or more employees

COMPANIES THAT ATTENDED TO FIND EQUIPMENT, TECHNOLOGY AND SUPPLIERS INCLUDE:

1. Acuity Brands 16. John Deere
2. Altos Hornos de México 17. Johnson Controls
3. Caterpillar 18. KIA México
4. Carrier 19. Mabo
5. Cuprum 20. Maxon Inmagusa
7. Danfoss 22. Nemak
8. De Acero 23. Parker Hannifin
10. Emerson 25. Schneider Electric
11. Ezi Metales 26. Siemens
12. General Electric 27. Ternium
15. Gunter de México 30. Vitro

TECHNOLOGIES & PRODUCTS OF PRIMARY INTEREST

Cutting .......................... 30%
Bending / Forming ............ 28%
Tooling .......................... 20%
Welding Machines ............. 20%
Assembly ........................ 20%
Robotics ........................ 18%
Welding Consumables ........ 18%
Arc Welding ...................... 18%
Stamping ........................ 18%
Maintenance and Repair ...... 17%
Finishing / Coating ............ 17%
Lasers ............................ 17%
Other Machinery / Equipment / Products / Parts 16%
Punching ......................... 14%
Automation ........................ 14%
Saws and Cutting Machines .... 14%
Tube & Pipe Fabricating or Welding 14%
Waterjet Cutting ................. 14%
Resistance Welding ............... 13%
Additive Manufacturing / 3D Printing / Prototyping 11%
Material Handling ............... 11%
Software and Machine Controls 11%
Inspection and Testing ........... 10%
Fastening and Joining .......... 10%
Gases and Gas Equipment ..... 10%
Lubrication ........................ 9%
Safety & Environmental ........ 8%
Coil Processing .................. 8%
Machining / EDM ............... 8%
Production ........................ 8%
Business Services ............... 5%
Hydroforming .................... 5%
Press Brakes ...................... 5%
Thermal Spraying ............... 2%
