

FABTECH

MEXICO

SPEAKING OPPORTUNITIES

FABTECH Mexico and the co-sponsoring associations are looking for professionals to make presentations in addition to the expo. These sessions are sponsored and FREE to expo attendees. Preference will be given to speakers from exhibiting companies.

CONFERENCE THEMES:

- New Materials
- Automation
- Cutting
- Finishing
- Forming and Manufacturing
- Industry 4.0
- Lasers
- Robotics
- Software
- Stamping
- Welding

AS A SPEAKER YOU WILL HAVE THE OPPORTUNITY TO:

- Share your technical knowledge, best practices, case studies, as well as innovations in the field.
- Showcase your company's new products and services.
- Increase your brand/company exposure.
- Invite attendees to demonstrations at your booth.
- Contact potential customers and network with industry colleagues.

Benefits of Being a Speaker/Sponsor

- Present to a captive audience in a private room.
- Your logo will appear on the FABTECH Mexico website, in promotional materials at the expo, and on the registration and entrance areas of the room.
- You will receive an electronic list of conference attendees (all sessions) after the event.
- Distribute company/product information during your session.
- Get more recognition for your company through the conference.

To request a speaking session, complete the following form by March 20, 2024.
