

TECHNOLOGY THEATER

TIME	TUESDAY, MAY 7	
2:00 pm	Precision and efficiency: AMADA EGB Series Oscar Valdez	
2:30 pm	The importance of nitrogen generation in industry 4.0 Rogelio Saldaña de la Fuente	
3:00 pm	Dürr solutions for the automotive industry within the reach of the industry in general Esaud Cruz	
3:30 pm	Green coatings, the new way of coatings sustainability Isabel Alanis	
4:00 pm	Sheet bending: properties and applications Fernando Montalvo & Eduardo Juárez	
4:30 pm	New technologies in blasting machines and the importance of abrasives Charlie Gorman	
5:00 pm	Innovations in the resistance welding process Rosario Ramirez	
5:30 pm	Laser optimization with high pressure air system and on site nitrogen generation Alejandro Cantú Yeverino	

	WEDNESDAY, MAY 8	
2:00 pm	Robots, the factories of the future Roberto Flores & Ervin Umit	
2:30 pm	Filtering systems for pretreatment lines Victor Prado	
3:30 pm	Circularity in the stamping scrap Miguel Montes	
4:00 pm	Growing together: VALSTER-AJ series Juan Pablo Beas	
4:30 pm	Optimization and controls of the shot blasting process Joao Pilón	
5:00 pm	Transformation in the industry: moving towards digital manufacturing Leopoldo García Omedo	
5:30 pm	Increasing productive capacity: maintenance strategies for sustainable growth Ignacio Garrido Fernández	

	THURSDAY, MAY 9	
1:30 pm	Increasing productive capacity: maintenance strategies for sustainable growth Ignacio Garrido Fernández	
2:00 pm	Eco friendly paint curing Toby Strite	
2:30 pm	Shot blasting equipment Felipe Garza	
3:00 pm	4ie for the world Angel López	
3:30 pm	Strain measurement for laminated metal testing Dean Lovewell de Instron, Roberto Scott de Metalinspec y Metrolab, y Israel Delgado de Metalinspec	
4:30 pm	Hardness of materiales: principles and applications José Mata	
5:00 pm	Powerful technology made simple by kassow David Nicolás Palos	

GENERAL CONFERENCES

TIME	TUESDAY, MAY 7	
11:30 am 12:20 pm	From manufactured in Nuevo León to innovated in Nuevo León Lic. Emmanuel Loo / Investment Undersecretary	
12:45 pm 1:30 pm	Developments: today's catalysts in the metalworking industry Mtro. Jerónimo García De Brahi / CEO	
3:00 pm 3:40 pm	Challenges and opportunities related to nearshoring in the north east region Jesús Francisco López / Institutional Relations Director	
4:00 pm 5:00 pm	Welding a profitable company, the success case of the influencer Martín Vaca / Influencer	
5:20 pm 6:00 pm	Navigating the labour market: addressing talent availability in manufacturing Lic. Ricardo Franco Romo / Global Director of Business Development	

	WEDNESDAY, MAY 8	
11:30 am 12:10 pm	Driving value-added with additive manufacturing Dr. Leopoldo Ruíz Huerta / Founder and Head of the National Laboratory of Additive and Digital Manufacturing (MADiT)	
12:20 pm 1:00 pm	Industry in the AI digital era Ing. Vladimiro de la Mora / Ex-President of GE México	
3:30 pm 4:50 pm	Panel Women of FABTECH Key industry challenges: •Lack of talent •Technology incorporation in SMEs •Challenges of nearshoring •Opportunities and challenges for women leaders in the industry Panelists: Lic. Zelina Fernández / General Director Lic. Lara Soto / CEO Mtra. Irma León / Socia fundadora y CEO Moderated by: Mtra. Haidé Sánchez / CEO	  
5:00pm 5:40pm	Circular economy: business opportunity under ESG Criteria Juan Carlos Meade / Strategic Alliances Director	

	THURSDAY, MAY 9	
11:30 am 12:40 pm	Panel: Doing business with foreign companies Panelists Mtro. Roberto Cortés / Institutional and Government Relations Mtro. Javier Alejandro Ruiz Alanis / Government Relations Manager Mtra. Ivett Eguía / Operations Director Moderated by: Héctor Tijerina / Executive Director	   
1:00 pm 1:40 pm	Industrial safety, trends and the use of advanced technologies in industry 4.0 Manuel Zamudio / Industry Associations Manager René Padilla Calderón / CEO Moderated by: Jerónimo García De Brahi / CEO	  
3:30 pm 4:10 pm	Inclusive manufacturing, a business opportunity with a rights perspective Mauricio Canseco / Undersecretary of Social Investment and Strategic of Equality and Inclusion	
4:30 pm 5:10 pm	Speedy Connections: strengthen your network and build new business in a dynamic and simple way Brenda Belmares / Speaker and CEO
